

Share your message at the **BACK TO SCHOOL 2020: The 5th Annual SMART SAFE SCHOOLS Showcase**

The SMART Education Exchange is seeking educational **Digital Safety topics** that will inform and motivate Local Officials, School Administrators, School Resources Officers, Law Enforcement and First Responders.

The theme for 2020 is, **“Operationalizing Digital Safety Preparedness in Schools”**. Topics should support the implementation of digital safety solutions in schools. Speakers and solution providers are encouraged to highlight best practices, lessons learned, metrics of success, and best available technology and innovation.

We encourage school safety professionals and safety solution providers to participate as an exhibitor in the virtual showcase, attend the virtual summit, and become an expert advisor or sponsor. [EXHIBIT HERE](#)

Click the images to learn about U.S. School Safety:

The Annual (12-months) SHOWCASE will feature:

1. Safety solutions
2. How to promote safety awareness to build a safety climate
3. How to include safety education across the curriculum
4. How to Implement innovative safety solutions
5. How to design career pathways in school safety

This virtual showcase is targeted to reach schools including public and private K12, colleges and universities, community colleges, and vocational schools across the U.S.

No cost to attend virtually, registration required:
